The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain in writing on the statement we provide describing the funeral goods and services you select.

SERVICES OF FUNERAL DIRECTOR AND STAFF Our fee for the services of funeral director and staff includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and placement of obituary notices; staff assistance prior to, during and following the funeral, including coordination with those providing other portions of the funeral, e.g. cemetery, crematory and others. This fee for our services is already included in our packaged selections, and range from \$400 to \$1050

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as funeral with viewing.
